# Web 2.0

Wikipedia – “...refers to a perceived second generation of web-based communities and hosted services – such as social-networking sites, wikis and folksonomies – which aim to facilitate collaboration and sharing between users.”

# Twittering?

The screenshot shows the original Twitter homepage. At the top, there's a navigation bar with standard Windows-style icons for File, Edit, View, Favorites, Tools, and Help. Below the bar, the word "twitter" is written in its signature blue, lowercase font. To the right of the logo is a search bar with the placeholder "Find folks to follow!" and a "search" button. Below the search bar is a link to "Login / Join Twitter!".

The main content area features a large, bold text block: "A global community of friends and strangers answering one simple question: **What are you doing?** Answer on your phone, IM, or right here on the web!" Below this text is a "explore twitter" button with a decorative geometric pattern.

Underneath the text, there's a section titled "Look at what [these people](#) are doing right now...". It lists several tweets from various users:

- mewithoutjean** chillen at school. coming home soon. [less than 5 seconds ago](#) from im
- Chris24** Some people need to learn how to share. [less than 5 seconds ago](#) from [twitterrific](#)
- reverse\_vampyr** Keeping my fingers proverbially crossed about getting hired at the place I'm freelancing. Damn, I need a steady paycheck. [less than 5 seconds ago](#) from web
- GordonWSmythe** Photo seized from Elton John 'may breach child porn laws'. Unreleased demo seized from his Lion King demos 'may breach good taste' [less than 5 seconds ago](#) from web
- bearpukuk** well I'm going to try for an early night, see if I can sleep this off. Goodnight twitters [less than 5 seconds ago](#) from web
- pu8licated** gym [less than 5 seconds ago](#) from [twitterrific](#)

To the right of the tweets is a green sidebar with the heading "Please Sign In!". It contains fields for "Username or Email" and "Password", a "Remember me" checkbox, and a "Sign In!" button. Below this, there's a link for mobile users: "Already using Twitter with your Mobile or IM? [Activate »](#)".

Further down the sidebar, there's a "Want an account?" section with a "Join for Free!" button and the text "It's fast and easy!".

The sidebar also lists "Featured" accounts and news sources, including "New York Times", "MTV VMAs", "MacRumors Notify", "Lincoln@APEC2007", "Chuck Bartowski", "AJBF", "71Miles", "Jason Goldman", and "ESPN Headlines".

At the bottom of the page, there's a small "Internet" icon.
